<p>Measurements in centimeters</p>  <p>Shoes n. Scarpe n.</p> <p>WEIGHT <input style="width: 50px;" type="text"/> MALE <input type="checkbox"/> FEMALE <input type="checkbox"/></p>	
---	--

Please take all the indicated measurements with light clothes (T-shirt) and put them in the boxes. Remember: the difference between total-height and shoulder-height should be around 26-32 cm. Differently the measurements are wrong, so please take them again!

To avoid to get the harness too wide, please take the chest measurement 5 cm. lower under the armpit.
